

information + action for social change

Create a free account on [HealthyCity.org](http://www.healthycity.org) to access mapping, data management, and collaboration capabilities. With a Healthy City account, you can:

- Save custom maps
- Upload and work with your own data
- Share work and collaborate with others

Create an account by filling out the form at <http://www.healthycity.org/?action=create-account> and clicking “Create”. Fields marked with an asterisk are required; scroll down for all form fields.

The screenshot shows a web form titled "CREATE AN ACCOUNT" with a close button (X) in the top right corner. Below the title is a link: "(already have an account? [Log in](#))". The form contains four required fields, each marked with an asterisk: "ACCOUNT NAME", "Account e-mail", "Password", and "Confirm Password". Each field is represented by a horizontal input box. Below these fields is a checkbox with the text "Yes, please add me to the Advancement Project Mailing List". At the bottom right of the form are two buttons: "Cancel" and "Create".

Access your account from any page by clicking the Login/Account option in the page header or visiting <http://www.healthycity.org/myhc/>. Your Account Page lists saved maps, datasets, and resources as well as tools for managing [Groups](#). Update your account profile on the Account Page by clicking “update profile”; log out with the button just below.
